**TO WHOM IT MAY CONCERN**  
**INTERNSHIP-COMPLETION-LETTER**

This letter is to certify that **Ayesha Iqbal** successfully completed her internship in Artificial Intelligence and Machine Learning at **ITSOLERA** from **24 June 2024** to **24 September 2024**.

During her time with us, she actively participated in a variety of key tasks, including but not limited to:

- **Earthquake Prediction Model with Machine Learning**
- **Fake News Detection with Machine Learning**
- **AI-Enhanced Detection of Fake and Bot Profiles on Social Media**
- **Image Segmentation with Machine Learning**
- **URL Classification and Analysis: Categorizing and Analyzing 1 Million URLs for Enhanced Data Insights**
- **Outfit Recommendation System**

Throughout the internship, she demonstrated an exceptional ability to learn quickly, adapt to various challenges, and collaborate effectively with the team. Her technical expertise, combined with a proactive approach, resulted in valuable contributions to ongoing Artificial Intelligence projects.
